

IMPRS funding request

IMPRS researchers can request funding from IMPRS for travel, equal opportunities, seminars and conferences as long as they are up to date with their obligations to our school (PhD proposal, TAC meetings, Seminar talks and information provided for our web site). If the funding required exceeds 1000 Euro, you need to secure the difference from other sources, e.g. your group or BCGS. Have the MPIfR travel request signed by your MPI director, or if you are from one of our partner universities by Prof. Zensus.
